1. Choose a date (recommended to look at each day of the week to get the full picture – each day must be done independently).
2. Choose a time (recommended to look at the full day for an overview: 7:00 AM – 9:45 PM).
3. Choose a building from the list of buildings or the map. Be patient, it takes a while to react to your choice.
4. Use this tab to get the list of all courses and the times they meet on your chosen day and time frame.
5. Use tab to see instructors listed (note, this is the list of instructors of record, so may not be complete).

*Note student numbers are based on current enrollment, which may continue to change (especially for courses with first-year students)
